Make Education a Reality

Education is the prerequisite for socio-economic development of the Nation in general and people in particular.

Not enough educational facilities are available for the professional studies particularly in the area of Engineering, Health sciences, Management, Computer Science and Information Technology.

This was realized by the RKDF group way back in the 1990s in developing states like Madhya Pradesh where only a few engineering and medical colleges were available to cater to the needs of millions of students desirous of pursuing higher education in professional subjects.

RKDF Education Group managed by the RKDF Education Society, Bhopal (Estd. 1994) and Ayushmati Education and Social Society, Bhopal (Estd. 1999) realized these limitations and decided to make available technical education to the needy students and established their first private college in the city of Bhopal in 1995 at Mandideep in Raisen Dist.

The RKDF group continued its efforts to provide quality education and established more than 100 colleges located at Bhopal, Sehore, Indore and Rewa in the State of Madhya Pradesh. This was not the end of the desired goal to serve the Nation through qualified and knowledgeable young professionals but only a humble beginning.

The efforts continued and the RKDF Group established the RKDF University at Gandhi Nagar, Bhopal. The University is sponsored by the AYUSHMATI EDUCATION AND SOCIAL SOCIETY, BHOPAL and has the approval of Madhya Pradesh Legislature.

The University is located on 55 acres lush green environment near Gandhi Nagar, Bhopal. The University has mission to provide quality education in most of the disciplines of Engineering, Applied Science, Management, Health sciences, Education, Law and Humanities & Social Sciences up to the Post-graduate level including M.Phil and Ph.D. The University aims to produce talented professionals with higher education and skill to serve mankind. The University was formerly launched on 14th February 2012.

Besides academic programmes, the University offers excellent facilities for every aspect of a student's life including his/her personality development. The University also proposes to have cooperation and collaboration with other National and International academic institutions to improve the quality of education and research.

As Chancellor it will be my endeavour to provide all modern educational and living facilities to the students at the campus. I also wish the well-being of all the employees of the University. I wish the best career and future of students of the University who will be studying and pursuing their Higher Education to enrich knowledge and engage in innovative activities to serve the Nation and humanity with dedication. I also wish prosperity and well-being of the employees and students of the University.

Dr. Sadhna Kapoor, Chancellor (RKDF University, Bhopal)

From the Vice-Chancellor's Desk, RKDF University, Bhopal

The next edition of University letter is with you. This is in fact a report card of the University for the period of publication.

I am very happy to read the contents of the newsletter which reflects the some of important activities of the University. In my opinion, the universities are known for their academic excellences which are through academic, curricular, co-curricular and extra-curricular activities.

In this context we have organized conferences, seminars, symposia, invited talks for our students as well as teachers. A major achievement is signing of MoU with CSIR, New Delhi. The CCPU of the university has been recognized by CSIR and the experts who visited the University were impressed with the State of Art facilities created by us. In coming months the scientists from every corner of India from CSIR laboratories will be conducting researches in our campus.

Similarly, The University has signed one more MoU with NRDC, New Delhi which is providing financial support to various projects for start-up and innovations.

The University is preparing for NAAC accreditation and the IQAC has done tremendous efforts in collecting the data and preparing the documents for NAAC, SSR. The University has witnessed many changes in its functioning. THE NEP 2020 has been implemented in UG programmes. The Laboratories have been modernized. The Campus is WIFI enabled. The research facilities have been enhanced. The hostels have been renovated. The purposes of all these changes are for the betterment of our quality. Our efforts and moto is to create a knowledge based society which may result into a New India using modern technology.

I would like to congratulate the entire teaching faculty in bringing out changes in curriculum, adding new value based courses, providing spiritual and ethical education so that the new generation must grow with our traditional values.

The innovations and projects undertaken by students are commendable. A multi fold activities have been witnessed by the students. We will be having our Convocation in next month which will be a memorable event for graduates.

In the end, I will recall Mahatma Gandhi who said "Education should be so revolutionized as to answer the wants of the poorest villager, instead of answering those of an imperial exploiter."

I hope the education which is imparted in RKDF University will fulfil this objective.

I convey my best wishes to a very happy and prosperous New Year 2023 to all the University family.

Prof. Vijay Agrawal

Vice-Chancellor, RKDF University, Bhopal

जल्द ही हमारे छात्र एक साथ दो विवि से डिग्री लेंगे: डॉ कपूर

यह अवार्ड मुझे नहीं बल्कि उन तमाम शिक्षकों, कर्मचारियों, छात्रों और शोधार्थियों के अथक परिश्रम को जाता है जो आरकेडीएफ में नित नए आयाम स्थापित करने में जुटे हैं। इस अवार्ड के मिलने के बाद अब हमारा दायित्व और बढ़ गया है और हम संकल्प लेते हैं कि न सिर्फ शिक्षा और शोध बल्कि समाज के उन्नयन की दिशा में भी नित नए आयाम गढ़ेंगे।

यह उद्गार हैं आरकेडीएफ विश्वविद्यालय की कुलाधिपति डॉ. साधना कपूर के। वह लंदन के आक्सफोर्ड यूनिवर्सिटी द्वारा ग्रेंड सक्सेस स्टार अवार्ड मिलने के बाद आरकेडीएफ यूनिवर्सिटी में उनके सम्मान में आयोजित समारोह को संबोधित कर रही थीं। इस अवसर पर उपस्थित आरकेडीएफ ग्रुप के चेयरमैन डॉ सुनील कपूर ने ग्रुप द्वारा तेलुगू चैनल शुरू करने की घोषणा करने के साथ साथ जानकारी दी कि जल्द ही ग्रुप के विश्वविद्यालयों के छात्र देश दुनिया की दो यूनिवर्सिटियों से एक साथ शिक्षा ग्रहण कर सकेंगे।

आरकेडीएफ विश्वविद्यालय में फॉरेंसिक लॉ पर राष्ट्रीय सेमिनार आयोजित

प्रसिद्ध फॉरेंसिक साइंस विशेषज्ञ डॉक्टर हर्ष शर्मा ने कहा कि अपराध की दुनिया में कोई भी अपराधी बच नहीं सकता जब तक इन्वेस्टिगेशन ठीक तरह से न किया जाए। वे रामकृष्ण धर्मार्थ विश्वविद्यालय में आयोजित एक दिवसीय सेमिनार में बोल रहे थे। इस अवसर पर मुख्य अतिथि प्रख्यात रंगकर्मी राजीव वर्मा ने कहा की विश्वविद्यालयों और तकनीकी संस्थानों में इस तरह के व्याख्यान छात्रों के बौद्धिक एवं मानसिक विकास में महत्वपूर्ण योगदान देते हैं। उन्होंने कहा की आम लोगों के बीच में यह धारणा है की अक्सर अपराधों की विवेचना में असावधानी बरती जाती है लेकिन यह सच नहीं है। हर घटना अपने कुछ ऐसे चिन्ह छोड़ जाती है जिसके आधार पर अपराधी को पकड़ लिया जाता है। इसमें मृत शरीर, खून, स्थल एवं अन्य बातें शामिल हैं।

आरकेडीएफ यूनिवर्सिटी में वैदिक गणित पर सेमिनार आयोजित

कोई भी विषय अध्ययन की दृष्टि से न तो कठिन होता है न सरल यह तो उस विषय को पढ़ाने वाले शिक्षक पर निर्भर करता है कि यह विषय का प्रस्तुतीकरण किस तरह से करता है। गणित के लिए यही सिद्धांत लागू होता है। यह विचार रामकृष्ण धर्माविश्वविद्यालय के कुलपति प्रोफेसर वयाने गण दिवस पर आयोजित एक दिवसीय सेमिनार में २२ सितम्बर २०२२ को व्यक्त किए।

इस अवसर पर उच्च शिक्षा विभाग के विशेष कर्तव्य अधिकारी डॉ अनिल राजपूत ने कहा कि वैदिक गणित और खगोलीय गणित में कुछ मूलभूत अंतर है लोग इस बात को ठीक से समझ नहीं पाते। ज्योतिष की गणना, खगोल की गणना वैदिक गणित के अंतर्गत नहीं आतीं। वहीं अटल बिहारी वाजपेई हिंदी विश्वविद्यालय के डॉ राजेश मिश्र ने वैदिक गणित के माध्यम से विद्यार्थियों को कुछ ऐसे अंको का गुणनफल वर्ग और घात की गणना करके बताया जिस पर विद्यार्थियों को आनंद की अनुभूति हुई। इस अवसर पर डॉ गौरव शर्मा सह प्राध्यापक एसआईईआरटी ने भारतीय अंकगणितीय तथा बीजगणितीय ज्ञान की प्राचीन परंपरा पर प्रकाश डाला तथा शून्य के महत्व को प्रतिपादित किया।
